**SO TASTY,
SO HEALTHY,
YOU CAN DRINK IT
ALL DAY!**

MUSCLE MARTINI CONTAINS:

- ▶ **Essential Amino Acids and BCAAs (EAA):** contains highly absorbable EAAs, BCAAs in ratios designed to promote quality muscle size and strength.
- ▶ **Adaptogenic herbs** designed to reduce cortisol, increase energy and help combat emotional eating
- ▶ **Beet Powder:** A source of anti-inflammatory pigments known as betalains, and nitric oxide precursors known as nitrates, beet powder supports vasodilation, pumps, and recovery of joint tissue.
- ▶ **A Patented antioxidant with 17x the power of pomegranate!*** and Anti-catabolic with L-Ornithine Alpha-ketoglutarate and Trans-Alanyl-Glutamine.

ONE OF THE MOST EXCITING FORMULAS FOR 2011!

- ▶ Contains 6175 Milligrams of the purest, most ultra-potent BCAAs & Essential Amino Acids; greatest bioavailability per scoop!
- ▶ Contains Capros®: 17x the potency of pomegranate and 2x the potency of Açai Berry!
- ▶ Contains Sensoril®: Clinically proven to reduce cortisol and increase energy by over 60%!

DRINK FREQUENTLY AND ALL DAY:

- ▶ When dieting, to help preserve lean muscle and alleviate cravings (make pre-contest a breeze)
- ▶ As a healthy, 100% guilt-free treat in between meals
- ▶ At school or office (keep a separate bottle there)
- ▶ Before bedtime at night (ultra-low carb/low sugar!)
- ▶ Special diet tip: drink one serving when you're really hungry right before eating (so you eat much less)

RECOMMENDED USE:

As a dietary supplement, drink and enjoy 2 scoops mixed in cold water immediately after training. Mix 2 scoops in cold water before bedtime. Good News! Muscle Martini (MM) can be used ANY time of day – morning, night, before/during/after a workout – you name it. Simply mix in cold water, tip back and enjoy as GAT's proprietary cocktail of anti-catabolic, anti-inflammatory, anti-oxidant and stress-hormone-regulating ingredients do their thing!*
